

**YOUR REPUTATION WARRANTS A PRODUCT
THAT WILL LAST THE TEST OF TIME**

SilvaStar® primed fascia and trim is fully coated with long lasting Olympic® latex primer, but what you might not realize, is how this product will stand the test of time. Real wood has obvious benefits, it looks great, it adds value to a home and it's cost effective. And when you combine the benefits of wood with the excellence of a top quality latex primer the outcome is a product that really can stand the test of time.
