INFORMATION CIRCULAR

DATED AS OF MARCH 15, 2011

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the Directors of Canfor Pulp Products Inc. ("CPPI") to be used at the Annual General Meeting (the "Meeting") of the shareholders of CPPI (the "Shareholders") to be held at the time and place and for the purposes set forth in the Notice of the Meeting accompanying this Information Circular.

The solicitation will be by mail. The cost of solicitation will be borne by CPPI.

RECORD DATE

The Directors of CPPI have fixed March 15, 2011 at the close of business as the record date (the "Record Date") for determining the names of Shareholders entitled to receive notice of the Meeting. Only Shareholders whose names have been entered in the applicable register of common shares of CPPI ("CPPI Shares") at the close of business on the Record Date will be entitled to receive notice of and vote at the Meeting.

YOUR VOTE IS IMPORTANT

As a Shareholder, it is very important that you read the following information on how to vote your CPPI Shares and then vote your CPPI Shares, either by proxy or in person at the Meeting.

INFORMATION FOR BENEFICIAL HOLDERS OF SECURITIES

The form of proxy accompanying this Information Circular confers discretionary authority upon the proxy nominees with respect to any amendments or variations to matters identified in the Notice of Meeting or any other matters which may properly come before this Meeting. On any ballot or poll, the CPPI Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder as specified in the proxy with respect to any matter to be voted on. If a choice is not so specified with respect to any such matter, the proxyholder shall be deemed to have been granted the authority to vote the relevant shares: (a) for the election of the Directors named in the proxy; and (b) for the appointment of PricewaterhouseCoopers LLP as the auditors.

All the issued and outstanding CPPI Shares are listed in an account statement provided to a beneficial Shareholder by a broker, and therefore, the CPPI Shares are not registered in the beneficial Shareholder's name on the records of CPPI. In Canada, all the CPPI Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). CPPI Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the beneficial Shareholder. Without specific instructions, brokers/nominees are prohibited from voting CPPI Shares on behalf of their clients. The Directors of CPPI do not know for whose benefit the CPPI Shares registered in the name of CDS & Co. are held. Therefore, beneficial Shareholders cannot be recognized at the Meeting for purposes of voting their CPPI Shares in person or by way of proxy.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from beneficial Shareholders in advance of the Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by beneficial Shareholders in order to ensure that their CPPI Shares are voted at the Meeting. The form of proxy is limited to instructing the registered Shareholder how to vote on behalf of the beneficial Shareholder. A beneficial Shareholder receiving a voting instruction form cannot use that voting instruction form to vote CPPI Shares directly at the Meeting. The voting instruction form or voting materials must be returned in accordance with the instructions in such materials in advance of the Meeting in order to have the CPPI Shares voted. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge"). Broadridge typically applies a special sticker to the proxy forms or alternatively, prepares a separate "voting instruction" form, mails those forms to the beneficial Shareholders and asks Shareholders to return to Broadridge the proxy or voting instruction forms. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of CPPI Shares to be represented at the Meeting. A beneficial Shareholder receiving a proxy with a Broadridge sticker on it, or a voting instruction form, cannot use that proxy or form to vote CPPI Shares directly at the Meeting. Instead, the proxy or form must be returned to Broadridge well in advance of the Meeting in order to have the CPPI Shares voted.

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE CONTACT YOUR BROKER OR AGENT WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.

APPOINTMENT OF PROXYHOLDERS

Each of the persons named in the enclosed form of proxy is a Director of CPPI. A Shareholder who wishes to appoint some other person to represent him/her at the Meeting may do so by inserting such person's name in the blank space provided in the form of proxy or by completing another proper form of proxy. Such other person need not be a Shareholder of CPPI. The proxy will not be valid unless the completed form of proxy is delivered to CIBC Mellon Trust Company, Suite 1600, 1066 West Hastings Street, Vancouver, British Columbia, V6E 3X1, or the Secretary of CPPI, not less than twenty-four (24) hours (excluding Saturdays and holidays) before the time of the Meeting.

A registered Shareholder who has given a proxy may revoke the proxy by: (a) completing and signing a proxy bearing a later date and depositing it with CIBC Mellon Trust Company as described above; (b) depositing an instrument in writing, clearly stating that the Shareholder wants to revoke the proxy and executed by the registered Shareholder or the registered Shareholders' attorney authorized in writing, at the registered office of CPPI, at 1700 - 666 Burrard Street, Vancouver, British Columbia, V6C 2X8, at any time up to an including the last business day before the Meeting, or with the scrutineers of the Meeting, to the attention of the chair of the Meeting, prior to the commencement of the Meeting on the day of the Meeting; or (c) in any other manner permitted by law.

A beneficial Shareholder may revoke a voting instruction form or a waiver of the right to receive meeting materials and to vote given to an intermediary at any time by written notice to the intermediary, except that an intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive materials and to vote that is not received by the intermediary at least seven days prior to the Meeting.

PRINCIPAL HOLDER OF CPPI SHARES

As at March 15, 2011, CPPI has outstanding and entitled to be voted at the Meeting, 35,493,307 CPPI Shares, each CPPI Share carrying the right to one vote.

To the knowledge of the Directors of CPPI, no person or corporation beneficially owns, directly or indirectly, or exercises direction or control over more than 10% of the voting rights attached to the issued and outstanding CPPI Shares other than:

- CDS & Co. is the sole registered Shareholder of 35,493,307 CPPI Shares, representing 100% of the total number of issued CPPI Shares. CPPI has no knowledge as to the beneficial holders of the CPPI Shares held by CDS & Co. which are 10% or more of the outstanding CPPI Shares.
- According to public records, as at March 15, 2011, Letko, Brosseau & Associates Inc. has control over 6,093,307 CPPI Shares representing 17.2% of total issued CPPI Shares.

Canfor Corporation ("Canfor"), through its wholly-owned subsidiary, Canadian Forest Products Ltd. ("CFP"), owns 35,776,483 Class B Exchangeable LP Units, which represent a 50.2% interest in the Canfor Pulp Limited Partnership (the "Partnership"). The Class B Exchangeable Limited Partnership Units are exchangeable for an equivalent number of CPPI Shares pursuant to the terms of the Exchange Agreement (the "Exchange Agreement") dated January 1, 2011 between CFP, CPPI, the Partnership and the Canfor Pulp Holding Inc., the general partner of the Partnership.

The Exchange Agreement contains, among other things, the procedure through which the Class B Exchangeable Limited Partnership Units may be exchanged for CPPI Shares. A copy of the Exchange Agreement is filed under CPPI's profile on SEDAR at www.sedar.com.

ANNUAL BUSINESS OF THE MEETING

The Meeting will be constituted as an annual general meeting. As part of the annual business set out in the Notice of Meeting, the Financial Statements will be placed before Shareholders by CPPI and Shareholders will be asked to consider and vote on (i) the election of the Directors of CPPI who will serve until the end of the next annual general meeting of CPPI or until their successors are appointed, (ii) the appointment of the auditors of CPPI for the ensuing year and, (iii) such other business as may properly come before the Meeting.

CPPI, THE PARTNERSHIP AND THE GENERAL PARTNER

CPPI was incorporated on March 12, 2010 under the *Business Corporations Act* (British Columbia) (the "BCBCA"). CPPI is the successor to the Fund following the completion of the conversion of the Fund from an income trust structure to a corporate structure by court approved plan of arrangement under the BCBCA on January 1, 2011 (the "Conversion"). The Conversion involved the exchange, on a one-for-one basis, of all outstanding units of the Fund ("Fund Units") for CPPI Shares. Upon implementation of the Conversion, on January 1, 2011, the unitholders of the Fund became the sole shareholders of CPPI which became sole owner of all of the outstanding Fund units.

Immediately following the Conversion, CPPI completed the reorganization of its corporate structure with the winding-up the Fund and Canfor Pulp Trust (the "Trust") on January 1, 2011. As a result of this reorganization, CPPI became the direct holder of the 49.8% interest in the Partnership previously held by the Fund (indirectly through the Trust).

The Partnership is a limited partnership formed under the laws of Manitoba pursuant to a limited partnership agreement made as of April 19, 2006.

Canfor Pulp Holding Inc. (the "General Partner") is a corporation incorporated under the laws of Canada. The General Partner was formed to act as general partner of the Partnership and to operate the pulp and paper business on behalf of the Partnership in its capacity as general partner.

The registered office of each of CPPI and the General Partner is located at 1700 - 666 Burrard Street, Vancouver, British Columbia, V6C 2X8. The registered office of the Partnership is located at 230 - 1700 West 75th Avenue, Vancouver, British Columbia, V6P 6G2.

For a description of the development of the business of CPPI, see the sections entitled "General Development of the Business", "The Pulp and Paper Business of the Partnership", "The Businesses of Canfor Pulp Products Inc, the Partnership and the General Partner" contained in the Annual Information Form of CPPI in respect of the financial year ended December 31, 2010 (the "AIF") which may be found on SEDAR at www.sedar.com.

ELECTION OF DIRECTORS

Pursuant to the Articles of CPPI, the number of Directors to be elected to the Board of Directors of CPPI at the Meeting is determined from time to time by resolution of the Shareholders, such number being not less than three. The number of Directors is currently fixed at three and the Directors have proposed that three Directors be elected at the Meeting. All Directors elected at the Meeting will hold office until the close of the next annual general meeting of Shareholders or until their successors are duly elected or appointed.

Pursuant to the second amended and restated shareholders' agreement dated as of January 1, 2011, between CFP, CPPI, the General Partner and the Partnership (the "Shareholders' Agreement"), the board of directors of the General Partner, after considering the recommendation of the Nominating Committee of the General Partner, is entitled to propose the nominees for election as Directors of CPPI. All nominees for election as a Director of CPPI proposed by the board of directors of the General Partner are required to be independent of Canfor. The board of directors of the General Partner and CPPI propose to nominate for election as Directors at the Meeting the persons listed in the following table. All proposed nominees have consented to be named in this Information Circular and to serve as Directors if elected. CPPI has no reason to believe that any proposed nominee will be unable to serve as a Director, but should any such nominee become unable to do so for any reason prior to the Meeting, the persons named in the enclosed form of proxy, unless directed to withhold from voting, reserve the right to vote for other nominees in their discretion.

The following table sets forth the name and principal occupation for each proposed nominee for election as Director, including principal occupations during the past five years. In addition, the table shows the date on which each proposed nominee first became Director of CPPI and a Trustee of the Fund, the predecessor of CPPI, the number of CPPI Shares that each proposed nominee beneficially owns, directly or indirectly, or exercises control or direction over which direction was exercised as of March 15, 2011 and the number of Fund Units beneficially owned, directly or indirectly, or over which control was exercised as of the record date of the Annual General Meeting in 2010.

EXECUTIVE COMPENSATION

GENERAL

CPPI does not conduct any active business and the General Partner is responsible for the management of the pulp and paper business. As a result, CPPI does not function through a committee structure. Compensation issues are addressed through the committee structure of the General Partner which includes a Compensation Committee of its Board of Directors (the "Compensation Committee").

COMPOSITION OF THE COMPENSATION COMMITTEE

The Board of Directors of the General Partner has final authority to approve the recommendations of the Compensation Committee regarding the compensation of the executives of the General Partner and the Partnership. The following independent directors of the General Partner were members of the Compensation Committee at December 31, 2010: Messers. Bentley, Bracken-Horrocks, Jago and Stinson. For further information on the role and responsibility of the Compensation Committee see "Board Committees – Compensation Committee" herein.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Policies, Programs and Objectives

The executive compensation policies of the General Partner relating to the main elements of compensation awarded to, earned by or paid to the Named Executive Officers (as defined under the section entitled "Summary Compensation Table" below) are designed to attract and retain high calibre executives who will successfully lead the organization so as to ensure a satisfactory return to Shareholders, financial soundness and competitiveness within its business sectors. The compensation package for executives includes base salary, short-term incentives and long-term incentives. The incentive programs are designed to provide the potential for top quartile compensation when compared to similar positions in the Canadian forest products sector and to a broader industry comparison, when performance warrants.

The Compensation Committee engages the services of an independent consulting firm, Hay Group, to provide advice and counsel on executive compensation matters, including base salary and incentive bonus programs as described further below.

Elements of Compensation

Base Salaries

Base salaries and salary ranges for the Named Executive Officers are established using market-competitive information provided by the Hay Group, the independent consulting firm retained by the Compensation Committee for this purpose. Salaries are reviewed annually. The mid-point for salary ranges is set at the median of the market place. The CEO's compensation is compared to top executive positions in the Canadian pulp and paper industry and to a broader industry group. The primary source for market information is the Hay Forest Industry Survey (FIS). The companies included in the peer group market data are AV Nackawic Inc., Ainsworth Engineered Canada L.P., Alberta-Pacific Forest Industries Inc., Canadian Forest Products Ltd., Daishowa-Marubeni International Ltd., Minas Basin Pulp & Power Co. Ltd., Northern Pulp Nova Scotia Corp., Tembec Inc., TimberWest Forest Corp., Tolko Industries Ltd., Twin Rivers Paper Company, West Fraser Timber Co. Ltd. and Zellstoff Celgar Partnership Limited. The Compensation Committee has sole responsibility for recommending for approval by the Board of Directors the compensation of the CEO.

Annual (Short-Term) Incentive Plan

The General Partner has a short-term incentive plan known as the Canfor Pulp Salaried Incentive Plan ("PSIP"). The PSIP applies to the Named Executive Officers (including the CEO) and all other salaried employees of the Partnership and has three components: Partnership performance, Business Unit performance and Individual performance. The PSIP program and annual goals and objectives are designed to enhance annual operating performance and financial results.

Partnership performance is measured by return on net assets ("RONA") for the Partnership. Target RONA performance levels are established annually taking into account actual historical RONA levels and projected RONA levels for the year. An annual minimum threshold RONA must be achieved for any payout under the PSIP to be made. Business Unit performance is measured against specific safety, environmental, productivity and operating costs, and organization goals. Individual performance is measured against agreed upon goals and objectives. These goals and objectives may relate to health and safety, and specific individual projects or programs. Partnership RONA levels for the year, Business Unit specific operational and organization goals, and Individual performance goals and objectives are established as part of the annual planning process. Goals are based on improvements over historical results, adjusted to reflect projected production input costs and markets for the Partnership's products. For Named Executive Officers, Business Unit performance is measured in relation to the performance of competitors in the pulp and paper industry on an EBITDA/tonne basis. For this purpose, the industry competitors consist of Fibrek Inc. (formerly SFK Income Fund), the pulp and paper segments of Tembec Inc., West Fraser Timber Co. Ltd. and Catalyst Paper Corporation. Award opportunity will

vary by employee responsibility level within the Partnership. Market competitive award PSIP targets as a percentage of base salary are 55% for the CEO and 40% for the other Named Executive Officers and range from 10% to 30% for all other salaried employees. Higher payout levels are possible with superior performance. In 2010, the General Partner paid to the Named Executive Officers a total of \$924,750 in PSIP awards, representing 162% of target for the year.

Target awards and payouts for the Named Executive Officers for 2010 by component are summarized as follows:

	2010 Average Award as % of Target	% of Total Award
Partnership Component	175%	54%
Business Unit Component ¹	200%	24%
Individual Component	117%	22%
Total	162%	100%

^{1.} For 2010, the Partnership performance as measured by RONA, exceeded the maximum performance target level, resulting in an award of 175% for the Partnership Component.

Long-Term Incentive Plan ("LTIP")

The General Partner has an LTIP which applies to designated senior management including the CEO and the other Named Executive Officers. For 2010 and prior periods, the awards are based on a multi-year comparison of the Fund's Total Shareholder Return ("TSR") to the Scotia Capital Business Trust Index (the "Index") and the Partnership's performance relative to a peer group in the pulp and paper sector, as measured by EBITDA/tonne. For this purpose, the peer group consists of Fibrek Inc. (formerly SFK Income Fund), Mercer International Inc., and the pulp and paper segments of Tembec Inc., West Fraser Timber Co. Ltd., and Catalyst Paper Corporation. Annual target award (the "Target") under the LTIP is 125% of base salary for the CEO and 100% of base salary for the other Named Executive Officers. The annual target awards for other designated participants in the LTIP range from 20% to 40% of base salary. For all LTIP participants, including the CEO and other Named Executives, the maximum LTIP award in any period is 200% of target. Annual awards for the peer group component are determined at 50%, 100% or 200% of target depending on annual Partnership distributions declared in relation to prior years, and for the TSR component at zero to 200% of target if the multi-year total shareholder return is more than 3% below the Index or more the 3% above the Index, respectively.

LTIP payouts are made in cash and participants are expected to use 50% of the after tax amount for purchase of CPPI Shares, to a maximum cumulative investment of 200% of salary for the CEO and 100% of salary for the other participants, including the other Named Executive Officers.

For 2010, the General Partner paid to the Named Executive Officers a total of \$2,526,239 in LTIP awards, representing a total of 188% of Target for the year. Target awards and payouts for the Named Executive Officers for 2010 by component are summarized as follows:

	LTIP Award Weighting	2010 Award as % of Target
Total Shareholder Return ¹	30%	200%
Peer Group Comparison ²	70%	183%

^{1.} The Fund's TSR has outperformed the Scotia Capital Business Trust Index by more than 3% for the measurement period from December 31, 2007 to December 31, 2010 and accordingly, or 200% award was made in this criteria for 2010.

The Cumulative Total Return of the Fund units relative to the Scotia Capital Business Trust Total Return Index affects Named Executive Officers awards under the long term incentive plan.

^{2.} For 2010 the Partnership performance, as measured on an EBITDA/tonne basis, was greater than 120% of the average of the industry competitor performance resulting in an award of 200% for the Business Unit Component.

^{2.} There was no reduction in 2010 annual distribution from the Partnership compared to the prior year and the Partnership achieved a number 1 ranking in 2008 and 2009 and a number 2 ranking in 2010 on an EBITDA/tonne basis when compared to the peer group, resulting in an award of 183% for the peer group component.

EMPLOYEE SHARE PURCHASE PLAN

The Partnership has established an employee share purchase plan (the "Employee Purchase Plan") for employees of the Partnership, including all of the Named Executive Officers. The Employee Purchase Plan was approved by the unitholders of the Fund by special resolution on May 1, 2007.

The Employee Purchase Plan is an employee profit sharing plan in accordance with section 144 of the Income Tax Act (Canada).

The purpose of the Employee Purchase Plan is to develop an interest by the employees of the Partnership in the growth and development of the Partnership by providing them with the opportunity to participate in the ownership of the Partnership through the purchase of outstanding Common Shares of CPPI. All regular employees of the Partnership are eligible to participate in the Employee Purchase Plan.

Enrolment in the Employee Purchase Plan is voluntary. Each participating employee is entitled to contribute as a basic contribution a minimum of 1% and a maximum of 5% of his or her basic wages or salary to the Employee Purchase Plan and may make a supplementary contribution of up to an additional 5% of such wages or salary. The Partnership makes a contribution each month in an amount equal to 30% of each participant's basic contribution and also pays the cost of brokerage and commissions.

All Common Shares purchased under the Employee Purchase Plan are outstanding shares purchased in the market or by private purchase by the trustee appointed from time to time for the Employee Purchase Plan (the "Trustee"). No Common Shares will be issued from treasury under the Employee Purchase Plan. All cash dividends received by the Trustee in respect of Common Shares held in the Employee Purchase Plan will be reinvested by the Trustee in additional Common Shares.

CHANGE OF CONTROL AGREEMENTS

The General Partner has entered into Change of Control Agreements with certain Named Executive Officers, as described below. The agreements provide that if, during a period commencing on a change of control and ending 18 months later, the Named Executive Officer's employment is terminated or he is constructively dismissed, the Named Executive Officer will receive a lump sum severance payment consisting of 24 months' base salary, an amount equal to the then target level of short-term and long-term incentive amounts for a two year period, and the value of pension benefits and All Other Compensation as reported on the following Summary Compensation Table for a two year period. In exchange for compensation under the agreements, the Named Executive Officers are precluded from employment or providing other services to a business anywhere in British Columbia or Alberta in the pulp and paper industry for a period of 12 months from termination. Assuming a change in control and termination of employment for each Named Executive Officer occurred on December 31, 2010, the following table represents the amounts that would be payable to the Named Executive Officers under these agreements:

Name	Principal Position	Lump Sum Payment \$
Joe Nemeth	President & Chief Executive Officer	\$2,897,870
Terry D. Hodgins	Chief Financial Officer & Secretary	\$1,495,858
Brett R. Robinson	Vice President, Operations	\$1,507,035

For these purposes, a "change in control" is defined as (i) any reduction by Canfor in its holding of Partnership units below 30% of the outstanding Units, (ii) any person other than Canfor having the right to appoint a majority of the Directors of the General Partner or (iii) a change or series of changes in the Directors of CPPI resulting from the solicitation of proxies by any person other than management of the General Partner, resulting in the Directors of CPPI, immediately prior to such change or series of changes, ceasing to constitute a majority of the Directors of CPPI.

SUMMARY COMPENSATION TABLE

Under applicable securities legislation, CPPI is required to disclose certain financial and other information relating to the compensation of: (i) each individual who was, in the most recently completed financial year, the Chief Executive Officer or Chief Financial Officer of CPPI; (ii) the three most highly compensated executive officers of CPPI other than the Chief Executive Officer and the Chief Financial Officer and (iii) any individual for whom disclosure would be required in accordance with (ii) but for the fact that the individual was not an executive officer at the end of the financial year. CPPI does not carry on an active business and does not have any executive officers, other than the Chief Executive Officer and Chief Financial Officer, who are also the Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO") of the General Partner, respectively, and who receive no compensation from CPPI. The executive officers of the General Partner, which include the CEO and CFO of CPPI, are responsible for the management of the business of the Partnership.

The following Summary Compensation Table sets forth the compensation of the CEO and the CFO and for the three most highly compensated executive officers of the General Partner, other than the CEO and CFO who were serving as executive officers at December 31, 2010 (the CEO, CFO and such executive officers are referred to collectively as the "Named Executive Officers").

PENSION PLAN BENEFITS

Defined Benefit Pension Plans

The Named Executive Officers of the General Partner who are members of the Partnership's defined benefit pension plans, are provided retirement benefits determined primarily by: (i) highest average pensionable earnings, which consists of regular salary and 50% of annual incentive plan (PSIP) awards in a highest period of five consecutive years during the final ten years of employment; and (ii) years of credited service. Normal retirement under the plans is age 65, with benefits payable for early retirement after age 55 discounted at 3% per year for retirement prior to age 60.

The Partnership accrued pension liability under its defined benefit pension plan is calculated following the method prescribed by the Canadian Institute of Chartered Accountants and is based on management's best estimate of future events that affect pension liabilities, including assumptions about future salary adjustments and bonuses. The actuarial assumptions used in the determination of the accrued liability are disclosed in Note 6 to the Partnership's audited financial statements dated December 31, 2010. There were no amendments to benefit terms during the 2010 year. Compensatory changes to the accrued obligation include service cost plus differences between actual and estimated earnings. Non-compensatory changes include the effects of changes in actuarial assumptions and interest on the accrued obligations at start of the year. Information on annual benefits payable and the accrued pension obligation for those Named Executive Officers who are members of the defined benefit plan is as follows:

CORPORATE GOVERNANCE

INTRODUCTION

On June 30, 2005, National Instrument 58-101 – Disclosure of Corporate Governance Practices ("NI 58-101") came into effect requiring public companies to disclose annually their corporate governance practices, including the constitution and independence of their board of directors, their mandates, roles, responsibilities and membership, and various items dealing with effective corporate governance. The Board of Directors of CPPI and the Board of Directors of the General Partner have reviewed the governance practices of CPPI and General Partner and conclude that except as noted below, they comply with NI 58-101.

CPPI holds a 49.8% interest in the Partnership. CPPI does not conduct any active business and the role of the CPPI Directors is to act primarily on behalf of CPPI and to manage the limited affairs of CPPI. The General Partner is the general partner of the Partnership and therefore responsible for the management of the business of the Partnership. All of the Directors of CPPI are independent as defined in NI 58-101 and each Director is a member of the Board of Directors of the General Partner.

Due to the passive nature of CPPI, CPPI does not have independent active management nor do the Directors of CPPI exercise supervisory functions over management of the General Partner or the Partnership. By reason of the foregoing and the number of Directors, it has not been necessary for CPPI to function through a committee structure. The CPPI Directors collectively discharge the functions that would otherwise be discharged by an executive committee or a governance committee and all the Directors of CPPI serve on the Audit Committees of CPPI and of the General Partner.

As a result of the structure of CPPI, NI 58-101 is best addressed by the Directors of CPPI together with the Board of the General Partner. The following disclosure describes the General Partner's current corporate governance practices.

Board Responsibilities

Under a set of Governance Principles and Code of Conduct adopted by the Board of Directors of the General Partner, the Board of Directors has explicitly acknowledged its responsibility for the stewardship of the General Partner, including the supervision of the management of its affairs and business. The basic objective of the Board of Directors is to ensure that shareholder value is preserved and maximized over the longer term and that the highest ethical standards are maintained throughout the General Partner's operations. In pursuing this objective, consideration is given to the interests of other stakeholders and to balancing gain against risk in order to ensure the financial viability of the business of the General Partner. Under the Governance Principles, the Board of Directors (directly or through its Committees) has expressly assumed responsibility in the areas listed below, among others.

Culture of Integrity

The Board of Directors of the General Partner has assumed responsibility for satisfying itself, to the extent feasible, as to the integrity of the CEO and the other executive officers of the General Partner and that those officers work to create a culture of integrity throughout the General Partner. The Governance Principles and Code of Conduct are designed to assist the Board of Directors in defining and maintaining appropriate standards of integrity throughout the organization (see also "Ethical Business Conduct" below).

Strategic Planning

The Board of Directors of the General Partner participates in the strategic planning process by reviewing, providing comments and approving management's strategic plan. The Board of Directors sets aside at least one meeting per year to review and comment on management's strategic plan. This allows the Board of Directors to gain a better appreciation of management's strategic planning priorities. Updates are provided to the Board of Directors throughout the year. The Board of Directors held one and a half day strategic planning sessions in 2010 and is provided with regular updates on the implementation of the strategic plan at regularly scheduled board meetings.

Risk Management

Risk Management is a primary responsibility of the CFO of the General Partner and includes the identification and management of the principal risks of the General Partner's business. Regular reports on risk issues are made to the Audit Committee of the General Partner (the "Audit Committee"). In its deliberations, the Board of Directors of the General Partner considers the principal risks of the General Partner's business and satisfies itself that management has systems in place to manage those risks. The Board of Directors of the General Partner has adopted a risk management controls policy which sets out the responsibilities, reporting and counterparty credit requirements associated with all risk management activity and an energy risk management policy which sets out principles for managing energy price exposure risk.

Succession

The Compensation Committee reviews succession planning for the CEO and other key senior executives as well as personal development plans for senior management. The Compensation Committee is provided with regular updates on the succession and development programs from the CEO and reports to the Board of Directors on succession planning matters.

Disclosure Control

The General Partner and CPPI have adopted a Corporate Disclosure Policy covering timely dissemination of material information. The policy establishes guidelines relating to how information is disclosed, responsibilities of officers, avoidance of selective disclosure and blackout periods. The General Partner and CPPI also communicate through the dissemination of continuous disclosure materials such as annual and quarterly reports, news releases and the annual information form. The General Partner maintains and regularly updates its website and conducts briefing sessions and group meetings.

Integrity of Internal and Disclosure Controls

From time to time the Board of Directors of the General Partner, directly and through its Audit Committee, reviews and assesses the adequacy and integrity of the General Partner's internal controls and management and information systems, as well as its and CPPI's disclosure controls and procedures to ensure that information for public disclosure is properly recorded, processed, summarized and reported to the relevant Board of Directors and the Audit Committee. In addition, through the use of Canfor's internal auditors, the Board of Directors of the General Partner monitors and assesses internal control mechanisms and functions. The General Partner has established a Disclosure Committee comprised of senior managers of the General Partner. The Disclosure Committee reviews and assesses the financial disclosure of the General Partner and the internal controls and procedures for ensuring that accurate information is being processed. The Disclosure Committee meets with the CEO and CFO to discuss its findings. The Audit Committee regularly meets with the internal auditor, external auditors and management to discuss the effectiveness of such controls.

THE BOARD OF DIRECTORS OF THE GENERAL PARTNER

Independence

The Board of Directors of the General Partner is currently composed of 8 directors, 6 of whom are independent directors as defined in NI 58-101. The three Directors of CPPI are independent directors as defined in NI 58-101. One of the present directors, Joe Nemeth is the President and CEO of the General Partner and therefore is not considered to be independent for this purpose. Also, Mr. Shepard is a member of the senior management of CFP and is also not considered independent for this purpose. Effective May 3, 2011 Mr. Shepard will retire from the General Partner's Board and Messrs. Korenberg and Calabrigo will be appointed. Mr. Calabrigo will not be considered independent as he is a member of senior management of CFP. Accordingly, following May 3, 2011, the General Partner's Board will be composed of 9 members, 7 of which will be independent. No independent director has entered into any contracts with the General Partner, the Fund or CPPI, received remuneration from the General Partner, the Fund or CPPI in excess of director's compensation or worked for the General Partner or the Fund in the last 5 years. The Board of Directors has provided a means whereby individual directors may engage outside advisors at the expense of the General Partner in appropriate

circumstances. In 2010, no advisors were engaged on behalf of individual directors of the General Partner. Of the 3 individuals proposed as nominees for election as Director of CPPI at the Meeting, all are considered to be independent as defined in NI 58-101.

Other Directorships

The names of other reporting issuers in respect of which each director and proposed director of CPPI or the General Partner presently serves as a director are set out under the "Election of Directors" section of this Information Circular. The names of other reporting issuers in respect of which each director of CPPI or the General Partner presently serves as a director are also set out therein.

Board Meetings

The independent directors of the General Partner, as part of each board meeting, hold in-camera sessions without the presence of Mr. Nemeth (as a non-independent management director) and other members of management to discuss issues relating to management and governance of the General Partner generally. The Board of Directors held 8 such meetings in 2010. The Chairman of the Corporate Governance Committee meets annually with the CEO and Chairman of the Board of Directors to discuss the relationship between management and the Board of Directors and reports the results of these discussions to the Board of Directors.

Attendance Record

The attendance record of each director of the General Partner at Board meetings and committee meetings is disclosed under the section of this Information Circular entitled "Corporate Governance – Board/Committee Assessments".

Chairman

Dr. Charles Jago is the Chairman of the Board of Directors of the General Partner. As discussed under "Independence" above, Dr. Jago is considered to be an independent director as defined in NI 58-101. As Chairman, Dr. Jago is responsible for ensuring the effective functioning of the Board of Directors, independent of management, and in a manner consistent with the Governance Principles and Code of Conduct, as described under "Code of Conduct" below.

BOARD MANDATE

The Board of Directors of the General Partner approved a written Board Mandate, which defines the Board of Directors' roles and responsibilities. The Board Mandate has been filed on SEDAR at www.sedar.com and on the General Partner's website at www.canforpulp.com and is incorporated into this Circular by reference.

POSITION DESCRIPTIONS

The Board of Directors of the General Partner has adopted position descriptions for the Chair of the Board, the Chair of each Board Committee and for the CEO, each of which is posted on the General Partner's web site at www.canforpulp.com.

ORIENTATION AND CONTINUING EDUCATION

Programs for the orientation for new directors of CPPI and the General Partner and the ongoing education of existing directors are the responsibility of the Governance Committee and the Chairman of the Board oversees the program. New directors are provided with a Directors Orientation Manual containing details of the General Partner's organizational structure, terms of reference for the Board of Directors and Committees, CPPI's most recent AIF and other relevant materials. Visits to various operations sites of the General Partner are organized for such members by the Chairman of the Board. The Board of Directors receives updates and other information from management relating to changes in law or other matters relevance to the Board of Directors of the General Partner or CPPI.

ETHICAL BUSINESS CONDUCT

Code of Conduct

As noted above, the Board of Directors of the General Partner has adopted a set of Governance Principles and a Code of Conduct. The Governance Principles deal with issues such as the role of the Board of Directors and management, functions of the Board of Directors, qualifications of directors, independence of directors, ethics and conflicts of interest. The Code of Conduct defines the standards and values which the General Partner expects all employees to follow in their dealings with stakeholders and is consistent with the General Partner's corporate values of integrity, trust, openness and respect for people. The Board Governance Principles and Code of Conduct have been filed on SEDAR at www.sedar.com and on the General Partner's website at www.canforpulp.com and a copy may be obtained from the Secretary of the General Partner.

The CEO of the General Partner reports to the Governance Committee on his efforts to monitor and promote a culture of integrity consistent with the Code of Conduct which includes meetings and discussions with senior managers and other stakeholders. A further description of the roles and responsibilities of the Governance Committee is set out under the section "Board Committees" below.

On an annual basis, each director of the General Partner is required to disclose and the Board of Directors reviews all of the directors' personal or business relationships with the General Partner in order to allow the Board of Directors to determine whether such relationships could reasonably be expected to interfere with the director's independent judgment. If a conflict of interest arises between the director and the General Partner, that director would not participate in the relevant decision.

NOMINATION OF DIRECTORS

The responsibility for the identification of new candidates for Board of Directors of the General Partner nomination resides with the General Partner's Governance Committee (the "Governance Committee").

The Governance Committee canvasses members of the Board of Directors of the General Partner for their suggestions regarding potential appointees to the Board of Directors of the General Partner and identifies and recommends annually to the Board, for its consideration, a short list of proposed nominees for election to the Board. In considering the candidates on the list, the Committee considers individual backgrounds, skills and expertise, geographic representation and the requirements of the Board in terms of skills and mix.

The Governance Committee is currently composed entirely of independent directors. A further description of the responsibility, power and operations of this Committee is set out under the Section entitled "Board Committees" below.

COMPENSATION

The process for the determination of the compensation of the General Partner's directors and officers is overseen by the General Partner's Compensation Committee (the "Compensation Committee"). The Compensation Committee annually reviews directors' and officers' compensation, with the assistance of its outside independent consultants, to amend compensation as required to reflect adequate compensation aligned with Unitholder interests. As described under the "Executive Compensation" section of this Information Circular, the Compensation Committee engages the services of an independent consulting firm to assist the Compensation Committee in determining the General Partner's compensation levels.

The Compensation Committee is currently composed entirely of independent directors. A description of the responsibilities, powers and operations of the General Partner's Compensation Committee is set out under the section of this Information Circular entitled "Board Committees" below.

BOARD COMMITTEES

Audit Committee

The overall purpose of the Audit Committee is to oversee CPPI's and the General Partner's financial reporting process and to review with CPPI and General Partner's external auditors the audited financial statements that are to be submitted to the CPPI's annual general meeting. The Audit Committee also reviews with management and the external auditors of CPPI and General Partner the impact of significant risks, potential liabilities and uncertainties which may affect CPPI and General Partner, any financial statements that are to be included in a prospectus or take-over bid circular of CPPI as required by securities law, as well as certain interim unaudited financial statements and all public disclosure documents containing audited or unaudited earnings information before their release to the public, and reports the results of such reviews and any associated recommendations to the General Partner's Board of Directors. In addition, the Audit Committee makes recommendations to the Board of Directors regarding the appointment of independent auditors, reviews the nature and scope of the annual audit plan presented by CPPI's and the General Partner's external auditors, and reviews with management the risks inherent in the General Partner's business and the management of such risks. The Audit Committee also reviews with both external auditors and with management of the General Partner the adequacy of the internal accounting procedures and systems established by the General Partner and reviews the General Partner's annual financing plan, any proposed financings and the method by which the General Partner measures financial results and performance. The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities and may retain special legal, accounting or other experts in the performance of its duties. The Audit Committee has regular in-camera sessions with the external auditors to discuss issues as it deems appropriate and requires management to implement and maintain appropriate internal controls and reviews these controls regularly at committee meetings. The Audit Committee has implemented controls to approve non-audit work performed by the external auditors. The Audit Committee is composed of five independent directors and the Audit Committee of CPPI is composed of three independent Directors, who also are members of the General Partner's Audit Committee.

Governance Committee

The principal role and function of the Governance Committee is to ensure that the General Partner, through its Board of Directors, sustains an effective approach to corporate governance. The Governance Committee monitors best practices for corporate governance and reviews practices and terms of reference to ensure the General Partner's compliance with industry standards and applicable laws and regulatory rules and policies. An additional function of the Governance Committee is to review the Board of Directors' overall relationship with management. The Governance Committee is also responsible for identifying and recommending proposed nominees for election to the Board of Directors, recommending the assignment of directors to Committees of the Board and undertaking an annual assessment of the size and effectiveness of the Board of Directors and the Board Committees. The Governance Committee also develops and periodically reviews compliance with the Board Governance Principles and the Code of Conduct and the resolution of potential or real conflicts of interest and also functions as a forum for concerns of individual Directors about matters that are not readily or easily discussed in a full meeting of the Board of Directors. The Governance Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities and may retain special legal, accounting or other experts in the performance of its duties. The Governance Committee is currently composed of four independent directors.

Compensation Committee

The overall purpose of the Compensation Committee is to oversee human resources and compensation policies approved by the Board of Directors of the General Partner and to make recommendations to the Board regarding human resources policies and executive compensation.

The Compensation Committee is responsible for ensuring that the General Partner has in place programs and policies to attract and retain high calibre executives and a process to provide for the orderly succession of management. The Compensation Committee annually assesses the performance of the CEO, recommends for approval by the Board of Directors that officer's compensation and benefits and approves the compensation for all other designated officers of the General Partner, its subsidiaries and affiliates. This is done after considering the recommendations of the CEO, all within the human resources and compensation policies, guidelines and pay and performance systems approved by the Board of Directors. The Compensation Committee also reviews from time-to-time, as and when required, the General Partner's broad policies and programs in relation to pension and other benefits. In addition, the Compensation Committee reviews from time-to-time with the CEO, broad policies on compensation for all employees. It also annually reviews the adequacy and form of the compensation of the Directors and reports and makes recommendations to the Board of Directors accordingly. BOARD/COMMITTEE ASSESSMENTS

The Governance Committee annually undertakes assessments of the size and effectiveness of not only the Board of Directors' Committees, but also of the Board of Directors as a whole. It also reviews attendance by individual members at Committee and Board meetings. The Board of Directors of the General Partner evaluates its performance by asking each director to complete a questionnaire, the contents of which are summarized by an independent person, evaluated by the Chair of the Governance Committee and then discussed at a meeting of the full Board of Directors of the General Partner. The Governance Committee consults with the General Partner's CEO regarding periodic assessments of the relationship between management and the Board and after such reviews advises the Board of Directors of its findings.
