## **Canfor Pulp Income Fund Completes Plan of Arrangement**

Vancouver, B.C. – Canfor Pulp Products Inc. (TSX:CFX) announced today that the previously announced plan of arrangement (the "Arrangement") approved by unitholders in April 2010 providing for the conversion of Canfor Pulp Income Fund (the "Fund") into a dividend paying public corporation named "Canfor Pulp Products Inc." ("CPPI") has been completed, effective January 1, 2011. Under the Arrangement, unitholders of the Fund received, for each unit of the Fund held, one common share of CPPI (a "CPPI Share").

As the CPPI Shares are, and the Fund units were, uncertificated and trade in the "book entry" systems, no certificates for the CPPI Shares will be issued. Beneficial holders of Fund units do not need to take any action involving their Fund units in order to receive CPPI Shares to which they are entitled under the Arrangement. Unitholders whose Fund units are held through a broker, dealer, bank, trust company or other nominee may wish to contact their nominee with respect to the exchange of their Fund units for CPPI Shares.

The CPPI Shares are expected to commence trading on the Toronto Stock Exchange under the symbol "CFX" on or about January 6, 2011, at which time the Fund units will be delisted from the Toronto Stock Exchange. The Fund was wound-up on January 1, 2011 following completion of the Arrangement and, accordingly, ceased to be a reporting issuer in all provinces and territories of Canada in which it was a reporting issuer or the equivalent thereof.

Under applicable U.S. securities laws, CPPI cannot distribute CPPI Shares to certain holders of Units who were U.S. residents. In order to determine which unitholders were not qualified to receive CPPI Shares, CPPI sent an inquiry through The Canadian Depository for Securities Limited ("CDS"), the sole registered unitholder of the Fund, to CDS participants (the brokers, dealers, bank, trust companies or other nominees through which unitholders hold their Fund units) seeking the required certification that their client unitholders either are not U.S. residents or, if they are, are qualified to receive CPPI Shares. Based on the responses received, CPPI Shares otherwise distributable under the Arrangement to non-qualified U.S. unitholders were issued to CIBC Mellon Trust Company as sale trustee and will be sold over the facilities of the Toronto Stock Exchange. Each non-qualified U.S. unitholder will receive a pro rata share of the cash proceeds from the sale of such CPPI Shares (less applicable expenses) in lieu of CPPI Shares.

CPPI has established a SEDAR profile at [www.sedar.com](http://www.sedar.com) and has filed all of the material documents relating to the legal structure of CPPI and its relationship with Canadian Forest Products Ltd. ("CFP") and Canfor Pulp Limited Partnership (the "Partnership") on SEDAR. As described in the information circular of the Fund dated March 16, 2010, the majority of these agreements have been amended to reflect the fact that CPPI now holds directly the 49.8% interest in the Partnership previously held indirectly by the Fund. In addition, the shareholders' agreement (the "Shareholders Agreement") relating to General Partner of the Partnership, Canfor Pulp Holding Inc. (the "General Partner"), has been amended in order to provide Canadian Forest Products Ltd. ("CFP") more flexibility in appointing persons who are not independent of CFP as directors of the General Partner. Reference is made to the full text of these agreements, which are available electronically at [www.sedar.com](http://www.sedar.com).
