• Access to both domestic and offshore markets
• Rapid growth in last three years through strategic acquisitions
• Diversified portfolio of prime products including glulam, long lengths and premium grades
From 2010 to 2016, the Canfor lumber business has invested more than $500 million on high returning strategic capital upgrades in regions and operations with excellent fibre base:
Significant EBITDA Improvements: Top Quartile Performance

- Optimizing top quartile performance at lumber operations
  - Divested non-core assets, closed fibre-challenged mills
- Expanded market presence and diversification
  - Building further value / volume in China and Japan
  - Pioneering into new markets (e.g. India)
- Top quartile financial performance in all regions
  - Strong margin focus and quality fibre base in all regions
  - Recent acquisitions making strong contribution to US South business
Pulp Operations

Locations
1 Intercontinental
2 Northwood
3 Prince George
4 Taylor

Canada

Locations

1.2 million tonnes of high quality premium reinforcing pulp and paper
